Declaration of Compliance | PFAS

1. Introduction

Filcoflex B.V. hereby declares that, based on the information and declarations provided by the supplier, the products referred to in chapter 2, hereinafter referred to as the "products", do not contain any of the substances listed in chapter 3, hereinafter referred to as the "substances".

These substances are not present as any intentionally added substances in the formulation of the raw material suppliers and therefore are not expected to be present in the products at levels >0.1% w/w.

However, the precense of analytically detectable traces, which occur widely and have possibly been introduced via raw materials, auxiliaries and additives, cannot be excluded. Filcoflex B.V. has not tested for any unintentionally added substances that may have occurred during the creation of raw materials, film or sheet material. Therefore not possible to exclude the presence of these substances at the level of traces as an impurity

2. Products
